John -

As requested, please find attached the draft copy of the Executive Summary for Southwest #1. This project has yet to go out to Public comment, but our calculated bond price is \$3,776,000 for the 779 acre site.

A copy of the NOI can be found on our web site. It is not anticipated public comment will impact the surety cost.

Please send your surety concurrence via email. If you have any questions please call me at 801-538-5257
